GENERAL ORDER #4

August 23rd, 2025

Track bulletins for the WIM Industrial Lead will now be issued through a web-based system available to employees on our website.

Visit www.wimry.com and locate the employee login item at the top right of the page. Track Bulletins can then be found by visiting the “WIM Track Bulletins” link under the “Bulletins, Timetables, & System Instructions” section of the page.

Review GCOR section 15 for instructions pertaining to track bulletins. It is also suggested you review the other items this page has to offer, like our rulebooks and workplace applications.
